2008: Sedate me, Please!

Author : michaelbloomer

I put together this video summary as a permanent goodbye to 2008, a rough year for economists, but a great year for Obama-ists!

The Ramones *I Wanna Be Sedated* is the perfect summation of a year that, well . . . let's face it, we all need sedating from. 2008 sold a lot of Valium. . .

For more of The Ramones, go to iTunes or wherever else.
