David Vitter's New Biography

Author : michaelbloomer

David Vitter is focused on putting Louisiana first as an independent and outspoken reformer, **and** on advancing mainstream conservative principles, **and on top on sexual matters**.

[*Second paragraph is basically just a list of your committee assignments, as well as your supposed issue priorities and policy positions. Leave this in, perhaps consider adding a reference to sex or whores somewhere, but it's not essential.*]

Prior to his service in the U.S. Senate, David represented the First Congressional District of Louisiana from 1999 - 2004. During that tenure, he authored and passed legislation establishing a prescription drug program for military retirees, advancing missile defense, and cleaning up Lake Pontchartrain. **He also advanced the economic prospects of various professional prostitutes which, without Senator Vitter's assistance, would very likely be collecting welfare paychecks, food stamps, Medicaid, and even using the so-called services of Planned Parenthood.**

For his work in Congress, David has received numerous awards from leading organizations such as Americans for Tax Reform, the 60 + Association, [**and**the Family Research Council, **and the Amsterdam Sex Workers "Public Servant of the Year" award (1994, '95,'96,'97,,'98,'99,2000,'01,'02,'03,'04,'05,'06,'07,'08,'09,'10).**

[*Your Biography's last paragraph presently reads - "David and his wife Wendy live in Metairie with their four children and are lectors at St. Francis Xavier Church."* **Is that still true? Is she still with you? Haven't you been excommunicated? If so, then leave this paragraph as is. If not, then leave the paragraph as is.**]
