"Since this administration is advised by Muslim Brothers then of course they're going to promote those in the Muslim Brotherhood ."
Congressloopy Louie Gohmert (R-TX)
Foreign Policy Magazine, July 3, 2013[1. The entire article, titled See If You Can Follow America's Schizophrenic Positions on Mohamed Morsy, is well worth a read.]

The beat goes on . . . Texas Congressman Louie Gohmert knows the Obama administration is rife with radical Muslims. Back in April, after the Boston Marathon massacre, he notified us on C-SPAN:

> "We know Al Qaeda has camps over with the drug cartels on the other side of the Mexican border," said Gohmert. "We

> know that people that are now being trained to come in and act like Hispanic [sic] when they are radical Islamists. We know these things are happening."

There you go. We know it's happening. (See picture at right for visual proof.)

Continuing his winning streak, following the ouster of the Muslim Brotherhood's Egyptian President, Mohamed Morsi, Gohmert informed Foreign Policy magazine's *The Cable:*

> "Since this administration is advised by Muslim Brothers then of course they're going to promote those in the Muslim Brotherhood."

Of course, Congressman. The Cable comment was on July 3rd, a day before Morsi's ouster. This necessarily left a question unasked: "Why did the Obama administration, infiltrated as thoroughly as it is with Muslim Brotherhood types, stand aside and thereby allow the selfsame Muslim Brotherhood to lose the Egyptian Presidency, and not by a democratic election, but via a literal "walking plebiscite" and subsequent military action."

I will contact Mr. Gohmert today to suggest he ask Chairman Rob Bishop (R-UT) to quickly convene his Subcommittee on Public Lands and Environmental Regulation, of which Gohmert is Vice Chair. Hearings should highlight Mr. Gohmert's investigative efforts. He may then present a list - however lengthy - of Obama's Muslim Brotherhood advisers. They may then be removed *en masse*, accompanied by Mr. Gohmert, as is his due for alerting us.
