Afghanistan - Ten Years Of Civilian and Military Casualties.

Author : michaelbloomer

Ten years after what seemed a good idea . . .

From President G.W. Bush's address to the nation announcing

the initial bombing of Afghanistan, October 7, 2001.?

"I recently received a touching letter that says a lot about the state of America in these difficult times, a letter from a fourth grade girl with a father in the military.

'As much as I don't want my dad to fight,' she wrote, 'I'm willing to give him to you.'

This is a precious gift. The greatest she could give. This young girl knows what America is all about."
