After Senate Passes Its Immigration Plan, House Congressloons On Deck To FLOAT Their Own

Author : michaelbloomer

Michael Matthew Bloomer, June 28, 2013

"And finally, let me be clear about one thing: America needs to secure our borders and reform our immigration laws.
But immigration reform must – I mean must – be grounded in real border security.
That's what the American people believe, and it's a principle that this House majority will insist upon."
[Excerpt, emphasis added]

Speaker of the House John Boehner
Weekly Press Conference
June 20, 2013

Now,
here's "border security"!
