Michael Matthew Bloomer, July 2, 2013

Al Jazeera just reported the following Facebook entry by Essam el-Haddad, a top Morsi aide and foreign relations advisor:

Office of Assistant to President of Egypt on Foreign Relations - Official
The Egyptian Presidency

Office of the Assistant to the President on Foreign Relations & International Cooperation

For Immediate Release, July 3, 2013

As I write these lines I am fully aware that these may be the last lines I get to post on this page.

For the sake of Egypt and for historical accuracy, let's call what is happening by its real name: Military coup.
