Virginia Governor Bob "Colon Blow" McDonnell's Ethics Concern Is Quite Different Than Widely Reported

Author : michaelbloomer

Michael Matthew Bloomer, July 11, 2013

**“The ironic aspect of it is that because Virginia’s ethics regulations are so loose,
relatively few people have actually run afoul of them.
They exempt so much, they don’t impose limits or
really restrict the source of either contributions or gifts,
[so] it’s pretty hard to run afoul of the law itself.”**

John McGlennon, Chairman, Government Department, College of William & Mary
Quoted in a State Integrity Project article, May 8, 2013
